591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR)**Not Met****Finding**

591-1-1-.09(1)(d) requires the Center to ensure that every Provisional Employee has a valid and current satisfactory Fingerprint Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center and must be supervised at all times by a Director or Employee with a valid and current satisfactory Comprehensive Records Check Determination. The Fingerprint Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Provisional Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Fingerprint Records Check Determination is required. It was determined based on review of records that an employee was hired in December 2019 to serve as teacher in the three-year-old classroom without first obtaining a valid and current satisfactory Fingerprint Records Check Determination on file prior to being present at the Center while any child is present for care. A one-day letter was left with the center.
