Plan of Improvement: Developed This Date 01/10/2020

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), e-mail the following information to CCSRefutations@dec.state.ga.us.

- 1) Facility name, license number and visit date
- 2) Your name, title/relationship to the facility, e-mail address & up to two phone number(s) where you can be reached
- 3) Specific rule number(s) that you are refuting, along with your concerns or questions regarding the rule citation

Refutations must be submitted to Child Care Services (CCS) within 10 business days of the completion date.

A sample form for submitting a refutation can be found at: <http://www.dec.state.ga.us/ChildCareServices/RefutationInformation.aspx>

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

Comment

Licensed capacity observed to be routinely met by center.

591-1-1-.25 Physical Plant - Safe Environment(CR)

Not Met

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation that there was a bottle of Windex window cleaner in an unlocked cabinet in the two-year-old classroom accessible to children. It was further determined that a container of Comet cleaner was located in an unlocked cabinet in the Pre-K classroom accessible to children.

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

Correction Deadline: 1/10/2020

Finding

591-1-1-.25(3) requires the Center and surrounding premises to be kept clean, free of debris and in good repair. Hygienic measures such as, but not limited to, screened windows and proper waste disposal procedures shall be utilized to minimize the presence of rodents, flies, roaches and other vermin at the Center. It was determined based on observation that there were two out of three toilets not working in the three year old classroom. It was further determined that the bottom of the left sink was cracked and rusted in the three-year-old bathroom.

POI (Plan of Improvement)

The Center will have the Center and surrounding areas cleaned, make repairs where needed, and remove all debris is removed. The Center will implement a plan to keep areas clean and in good repair that includes regular monitoring.

Correction Deadline: 1/10/2020

591-1-1-.26 Playgrounds(CR)

Not Met

Finding

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that the back right side chain link fence had a gap that was seven inches wide creating an entrapment hazard. It was further determined based on observation that the far back wooden fence had a gap the measured three and a half inches off the ground on the playground.

POI (Plan of Improvement)

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

591-1-1-.36 Transportation(CR)

Not Met

Finding

591-1-1-.36(6) requires written Parental authorization for routine transportation provided by or on behalf of the Center. Written authorization must include the routine pick-up location, routine pick-up time, routine delivery location, routine delivery times and the name of any person authorized to receive the child. It was determined based on review of records that eight children that were transported did not have the parental agreement on file.

POI (Plan of Improvement)

The Center will obtain the required written parental authorization.

Correction Deadline: 1/11/2020

Finding

591-1-1-.36(7)(b) requires that an emergency medical information record be maintained in the vehicle for each child being transported. The emergency medical information record for each child shall include a listing of the child's full name, date of birth, allergies, special medical needs and conditions, current prescribed medications that the child is required to take on a daily basis for a chronic condition, the name and telephone number of the child's doctor, the local medical facility that the Center uses in the area where the Center is located and the telephone numbers where the Parents can be reached. It was determined based on observation that the vehicle emergency was missing for eight children that were transported.

POI (Plan of Improvement)

The Center will obtain a complete emergency medical information record for each child that is transported and maintain a copy on the vehicle.

591-1-1-.33 Staff Training

Not Met

Finding

591-1-1-.33(3) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: prevention and control of infectious diseases (including immunizations); prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome, abusive head trauma and child maltreatment; emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); handling and storage of hazardous materials and the appropriate disposal of bio contaminants; precautions in transporting children; recognition and reporting of child abuse and neglect; and child development. It was determined based on review of records that staff #1 did not have documentation of health and safety training on file.

POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.

Correction Deadline: 2/9/2020

Finding

91-1-1-.33(5) requires that every calendar year after the first year of employment, all supervisory and caregiver Personnel, except independent contractors, Students-in-Training and volunteers shall attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department-approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained, as required by these rules. It was determined based on review of records that staff #6 did not complete the required ten hours of training for the 2019 calendar year.

POI (Plan of Improvement)

The Center will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed.

Correction Deadline: 2/9/2020
