Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Incident Investigation Closure:

<b>Activities and Equipment</b>
---------------------------------

**591-1-1-.12 Equipment & Toys(CR)** **Not Met**

**Finding Associated with Complaint**

591-1-1-.12(4) requires that equipment and furniture is secured if it is of a weight or mass that could cause injury from tipping, falling, or being pulled or pushed over. During an investigation, it was determined that on October 17, 2018, a classroom shelf, approximately 3.5 feet tall, was not securely anchored or positioned, when a two-year-old child pushed the shelf over onto a three-year-old child. The three-year-old child was laying on their mat when the two-year-old child had a tantrum and pushed the shelf over. The three-year-old child sustained a deep laceration behind the right ear and required professional medical attention.
