Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

**Health and Hygiene**

**591-1-1-.17 Hygiene(CR)**

**Not Met**

**Finding Associated with Complaint**

591-1-1-.17(3) requires that children's personal items, combs, toothbrushes and cloth towels be kept clean and separately stored. It was determined based on a complaint investigation, that on August 3, 2021, two children in the toddler classroom went to their cubbies and took the wrong shoes out and placed them on their feet. The Director stated they observed one child to have the wrong shoes on and notified both parents that evening. One child had already went home with the other child's shoes on their feet. Staff stated the next day, the parents returned the incorrect shoes and they were exchanged back correctly.

**POI (Plan of Improvement)**

The Center will develop a plan to ensure these items are kept clean, and stored separately, that includes training staff and monitoring for compliance.
