Finding

591-1-1-.09(1)(a) requires that a Center ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on review of records that staff member #4, that was hired September 4, 2019, did not submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. Consultant left a one-day letter, read the consultant script, and left an A to Z video affidavit with the Director on this date.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will follow up on all CBCs to ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site as required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will watch the video units to ensure the CRC rules are maintained.

Correction Deadline: 1/21/2021

Finding

591-1-1-.09(1.)(b) requires the Center to ensure that every Director has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Director has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required.
