This Licensing Study is the second regulatory visit for Vera Thomas this 2017 - 2018 fiscal year.

The consultant reviewed all staff files and finds that each member has a satisfactory fingerprint criminal records clearance determination letter on file.

The provider stated no medication is provided, no field trips or transportation is provided. The provider does not provide liability insurance. The consultant observed a posted notice to this effect located on the parent bulletin board and signed parental acknowledgement forms in child files.

The consultant discussed the Quality Rated Program with the provider and encouraged participation.

Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Reminder: All employees of child care programs must be fingerprinted before **January 1, 2017**. For instructions and to submit records check applications online, please visit www.decalkoala.com. You are encouraged not to wait and to complete the process as soon as possible.

(O.C.G.A. Section 20-1A-4)
