Plan of Improvement: Developed This Date 09/11/2018

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

- 1) Facility name, license number and visit date
- 2) Your name, title/relationship to the facility, e-mail address & up to two phone number(s) where you can be reached
- 3) Specific rule number(s) that you are refuting, along with your concerns or questions regarding the rule citation

Refutations must be submitted to Child Care Services (CCS) within 10 business days of the completion date.

A sample form for submitting a refutation can be found at: <http://www.dec.state.ga.us/ChildCareServices/RefutationInformation.aspx>

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

The following information is associated with a Monitoring Visit:

Activities and Equipment

290-2-3-.12 Equipment and Supplies(CR)

Not Met

Finding

290-2-3-.12(7) requires all indoor and outdoor furniture and equipment shall be secured if equipment and furniture is of a weight or mass that could cause injury from tipping, falling, or being pulled or pushed over. Potentially unstable equipment and furniture that might injure a child if not secured include, but are not limited to, televisions, chests of drawers, bookcases, shelving, cabinets and fish tanks. Examples of items not required to be secured include, but are not limited to, child-sized tables and chairs, rocking chairs, and cribs. It was determined based on observations that the two tall plastic shelves in the childcare room were not secure.

POI (Plan of Improvement)

The Home will secure any identified equipment and/or furniture to prevent from tipping or falling over on a child. The Home Provider will ensure that all potentially dangerous equipment is maintained secure.

Correction Deadline: 9/11/2018

290-2-3-.19 Infant-Sleeping Safety Requirements(CR)

Technical Assistance

Technical Assistance

290-2-3-.19 - Discussed with the provider about ensuring the children mats are 2 inches thick.

Comment

Discussed SIDS and infant sleeping position. Observed two new pack-plays for the two enrolled infants.

290-2-3-.07 Swimming Pools & Water-related Activities(CR)

N/A

Comment

Home does not provide swimming activities.

Facility

290-2-3-.11 Physical Plant - Safe Environment(CR)**Met****Comment**

An operable and appropriately sized fire extinguisher and smoke detector was observed in the home this date.

290-2-3-.13 Physical Plant-Structural/Mechanical(CR)**Met****Comment**

The Home appears clean and free from hazards.

290-2-3-.13 Playgrounds(CR)**Not Met****Finding**

290-2-3-.13(2)(c) requires that climbing and swinging equipment that are not portable have a resilient surface beneath the equipment and the fall zone from such equipment, which is adequately maintained by the Home to assure continuing resiliency. It was determined based on observation that there was no resilient surface material under in the fall zones of the swing and slide.

POI (Plan of Improvement)

There have been no children enrolled in over four years. The provider recently reopened, The Home will ensure that there is an adequate resilient surface under and in the fall zone of climbing and swinging equipment. The provider will keep the children off the equipment until the resilient surface is added. The consultant explained the fall zones to the helper and that six inches of mulch is needed in the fall zones.

Correction Deadline: 9/21/2018**Finding**

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the outdoor play area was not fully enclosed, The double gate in the front yard where the children play could not be closed.

POI (Plan of Improvement)

The provider will have the gate fixed this weekend. The provider will put a barrier in front of the gate opening when the children go out to play. The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced.

Correction Deadline: 9/21/2018
