Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

290-2-3-.21 Criminal Records Check(CR)**Technical Assistance****Technical Assistance**

Consultant advised the provider that beginning October 1, 2018:

That local background checks (with purpose code "W") will no longer be accepted (no more 21-day provisional employment).

Everyone must have at least a fingerprint-based background check letter before they can be present at the center to care for children.

The new definition of Provisional Employee includes those with only a satisfactory Fingerprint Records Check Determination. People with this type of clearance are allowed on site, but must be under the direct and continuous supervision of a Director or Employee with a satisfactory Comprehensive Records Check Determination.

A new comprehensive background check must be run for anyone who has had a lapse of employment in the child care industry that lasts 6 months or longer. (Students-in-Training are considered "employed in the child care industry" if they've been enrolled in a child care related curriculum.)

Letters will only be accepted at a new facility if they are "ported" electronically.

Comment

Criminal records checks were observed to be complete.
