Plan of Improvement: Developed This Date 09/11/2018

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.ga.gov/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

**Important New Deadlines:**

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

Criminal records checks were observed to be complete. The provider has hired two staff since the previous visit. The consultant discussed with the provider the proposed rule changes effective October 1, 2018:

- Local background checks (with purpose code "W") will no longer be accepted (no more 21-day provisional employment).
- Everyone must have at least a satisfactory fingerprint-based background check letter before they can be present at the center to care for children.
- The new definition of Provisional Employee includes those with only a satisfactory Fingerprint Records Check Determination. People with this type of clearance are allowed on site, but must be under the direct and continuous supervision of a Director or Employee with a satisfactory Comprehensive Records Check Determination.
- A new comprehensive background check must be run for anyone who has had a lapse of employment in the child care industry that lasts 6 months or longer. (Students-in-Training are considered "employed in the child care industry" if they've been enrolled in a child care related curriculum).
- Letters will only be accepted at a new facility if they are "ported" electronically.
