Such records shall include: identifying information (Child's name, birth date, Parent's name, home and business addresses, telephone numbers); name, address and telephone number of persons, including Child's physician, to contact in emergencies; and name, address, telephone numbers, relationship to Child and to Parent(s) and other identifying information of person(s) to whom the Child may be released. It was determined based on a review of records that one out of six children was missing enrollment paperwork. It was further determined that three out of six records were missing physicians information.

Correction Deadline: 8/9/2018

Finding

290-2-3-.08(11) requires that if the Home is not covered by liability insurance sufficient to protect its clients, the Home must notify the Parent of each Child under the care of the program in writing. Each Parent must acknowledge receipt of such notice, and a copy of the acknowledgement shall be kept in the Child's file. It was determined based on a review of records that six out of six children enrolled did not have parental acknowledgement of no liability insurance.

POI (Plan of Improvement)

The Home Provider will obtain and maintain documentation.

Correction Deadline: 8/9/2018

Finding

290-2-3-.08(4) requires the Home to maintain a file for each Child that includes known allergies, physical problems, mental health disorders, mental retardation or developmental disabilities which would limit the Child's participation in the program. It was determined based on a review of records that two out of six records were missing allergy information.

POI (Plan of Improvement)
