Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. 290-2-3-.07(9) requires that every calendar year, after the first year of employment the Provider, and any Provisional Employees or and Employees, shall attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department- approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained in the Home by the Provider, as required by these rules. It was determined based on a review of records that the provider did not have evidence of the required 10 hours of annual training for the year 2019. The provider completed the new 10 hour health and safety orientation training, thinking this would count towards the 10 hours of annual training for the year 2019.

**POI (Plan of Improvement)**

The Home will obtain the required annual training for Staff and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested.

**Correction Deadline: 2/26/2020**
