

Please refer to the website, <http://www.dec.state.ga.us/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

**Important New Deadlines:**

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

### 290-2-3-.07 First Aid & CPR

Not Met

#### Finding

290-2-3-.07(5) requires the Home to maintain for the Provider and any Provisional Employee or Employee with direct care responsibilities current evidence of successful completion of a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid which have been offered by certified or licensed health care professionals or trainers and which dealt with emergency care for infants and children. This training must be completed prior to initial licensure for the Provider and within 90 days from date of hire for Provisional Employees and Employees. It was determined based on review of records that the Provider did not have evidence of successful completion of a biennial training program in CPR and first aid.

#### POI (Plan of Improvement)

The Home will obtain the required CPR and first aid training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested.

Met

#### Comment

Staff observed to be compliant with applicable laws and regulations.

**Finding**

290-2-3-.07(4) requires the Provider, Employees and Provisional Employees with direct care responsibilities to complete health and safety training at the time of employment. Staff employed prior to September 30, 2016 will complete the training by December 29, 2016 and Staff employed after September 30, 2016 will complete the training within the first 90 days of employment. The training must address the following health and safety topics: prevention and control of infectious diseases; prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome and abusive head trauma; emergency preparedness and response planning for emergencies resulting from a natural disaster, or threatening event such as violence at the facility; handling and storage of hazardous materials and the appropriate disposal of bio contaminants; and precautions in transporting children (if applicable). It was determined based on review of records that there was no evidence of the Health and Safety Orientation training for the provider on file.

**POI (Plan of Improvement)**

The Provider will complete the required training and will ensure any Employees complete the training. The Provider will develop a plan to ensure that any new Employees complete the training as required.

**Correction Deadline: 8/16/2019****Recited on 8/13/2019****Correction Deadline: 12/31/2019****Corrected on 8/13/2019****.07(6) - Previous citation corrected. The Provider will complete 8 hours required training for 2019.**
