Plan of Improvement: Developed This Date 04/29/2019

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), e-mail the following information to CCSRefutations@decal.ga.gov.

- 1) Facility name, license number and visit date
- 2) Your name, title/relationship to the facility, e-mail address & up to two phone number(s) where you can be reached
- 3) Specific rule number(s) that you are refuting, along with your concerns or questions regarding the rule citation

Refutations must be submitted to Child Care Services (CCS) within 10 business days of the completion date.

A sample form for submitting a refutation can be found at: <http://decal.ga.gov/ChildCareServices/RefutationInformation.aspx>

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

Facility

290-2-3-.11 Physical Plant - Safe Environment(CR)**Not Met****Finding**

290-2-3-.11(2)(a) requires the Home to have a written plan for handling emergencies, including but not limited to fire, severe weather, loss of electrical power or water, and death, serious injury or loss of a child, a threatening event, or natural disaster which may occur at the Home. The Home will have in place procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, continuity of operations, accommodation of infants and toddlers, children with disabilities, and children with chronic medical conditions. No Home personnel shall impede in any way the delivery of emergency care or services to a child by licensed or certified emergency health care professionals. It was determined based on observation that the provider did not have in place procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, continuity of operations, accommodation of infants and toddlers, children with disabilities, and children with chronic medical conditions.

POI (Plan of Improvement)

The Home Provider will complete a written plan for emergencies. A copy was emailed to the provider.

Correction Deadline: 5/9/2019**Finding**

290-2-3-.11(2)(c) requires that documentation of drills required by these rules shall be maintained in the Home. The Home shall conduct drills for fire, tornado, and other emergency situations. The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Home shall maintain documentation of the dates and times of these drills for two years. It was determined based on observation that the provider did not have written documentation to show that tornado drills or lock down drills had been conducted for 2018-2019.

POI (Plan of Improvement)

The Provider will develop and implement a plan and schedule for conducting the required drills, completing the documentation, keeping the documentation on file for two years. A updated form was emailed to the provider.

Correction Deadline: 5/29/2019**Technical Assistance**

290-2-3-.11(2)(h) - Operable smoke detector(s) were observed as required in the home this date. The consultant observed the smoke detector siren to be very low. The provider will ensure to check the batteries or replace the smoke detectors on both levels of the home.

Comment

An operable and appropriately sized fire extinguisher was observed in the home this date.

290-2-3-.13 Physical Plant-Structural/Mechanical(CR)**Met****Comment**

The Home appears clean and free from hazards.

290-2-3-.13 Playgrounds(CR)**Not Met****Comment**

The outside area appears clean and well maintained.

Finding

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the fence for the play area was not fully enclosed in that the fence door were off the hinges.

POI (Plan of Improvement)

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children. The provider will have the fence door place back on the hinges so that it can be enclosed while children are playing.

290-2-3-.11 Children's Health and Hygiene(CR)**Met****Comment**

Proper hand washing discussed throughout the Home.

290-2-3-.11 Diapering Areas & Practices(CR)**Not Met****Finding**

290-2-3-.11(1)(f) requires diapers to be changed in the Child's own crib or on a nonporous surface which is cleaned with a disinfectant and dried with a single use disposable towel after each diaper change. It was determined based on observation that the changing pad had small tears with exposed foam causing the pad to be porous.

POI (Plan of Improvement)

To ensure the control of disease transmission, the Home Provider will change diapers in the child's crib or a nonporous surface. The diapering surface will be cleaned and disinfected between use with a single use disposable towel.
