Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Finding

Previously Cited: 290-2-3-.07(5) requires the Home to maintain for the Provider and for any Employee with direct care responsibilities current evidence of successful completion of a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid which have been offered by certified or licensed health care professionals and which dealt with emergency care for infants and children. The Provider shall attend ten clock hours of diverse training which is related to care of children and which is offered by an accredited college, university or vocational program or other Department approved source annually. Records of completion of such training programs shall be maintained in the Home by the Provider, as required by these rules. The annual ten clock hours of training shall be chosen from the following fields: (a) Child Development: including discipline, guidance, nutrition, injury control and safety; (b) Health: including sanitation, disease control, cleanliness, detection and disposition of illness; (c) Child Abuse and Neglect: including identification and reporting, and meeting the needs of abused and/or neglected children; and (d) Business Related Topics: including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two of the required ten clock hours of training. It was determined based on a review of records that the provider's CPR training expired March 3016.

290-2-3-.07(5) requires the Home to maintain for the Provider and any Provisional Employee or Employee with direct care responsibilities current evidence of successful completion of a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid which have been offered by certified or licensed health care professionals or trainers and which dealt with emergency care for infants and children. This training must be completed prior to initial licensure for the Provider and within 90 days from date of hire for Provisional Employees and Employees. It was determined based on review of CPR certification that the provider does not have current CPR certification as required.

POI (Plan of Improvement)

Previously Cited: The Home will obtain the required CPR, first aid and annual training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested.
