Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

290-2-3-.11(1)(n) requires pets in the Home be properly vaccinated in accordance with the requirements of the local county Boards of Health. Unconfined pets shall not be permitted in child care areas when any Child is present except for supervised learning experiences. It was determined based on review of records that the provider did not have updated vaccination records for one animal.

POI (Plan of Improvement)

The Home will ensure that all animals are properly vaccinated and that unconfined animals are not allowed in child care areas.

290-2-3-.07 Staff Training**Not Met****Finding**

290-2-3-.07(4) requires the Provider, Employees and Provisional Employees with direct care responsibilities to complete health and safety training at the time of employment. Staff employed prior to September 30, 2016 will complete the training by December 29, 2016 and Staff employed after September 30, 2016 will complete the training within the first 90 days of employment. The training must address the following health and safety topics: prevention and control of infectious diseases; prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome and abusive head trauma; emergency preparedness and response planning for emergencies resulting from a natural disaster, or threatening event such as violence at the facility; handling and storage of hazardous materials and the appropriate disposal of bio contaminants; and precautions in transporting children (if applicable).

It was determined based on review of records that the provider did not complete health and safety orientation training.

POI (Plan of Improvement)

The Provider will complete the required training and will ensure any Employees complete the training. The Provider will develop a plan to ensure that any new Employees complete the training as required.
