290-2-3-.21(1)(a) - Consultant advised the provider that beginning October 1, 2018:

Local background checks (with purpose code "W") will no longer be accepted (no more 21-day provisional employment).

Everyone must have at least a fingerprint-based background check letter before they can be present at the center to care for children.

The new definition of Provisional Employee includes those with only a satisfactory Fingerprint Records Check Determination. People with this type of clearance are allowed on site, but must be under the direct and continuous supervision of a Director or Employee with a satisfactory Comprehensive Records Check Determination.

A new comprehensive background check must be run for anyone who has had a lapse of employment in the child care industry that lasts 6 months or longer. (Students-in-Training are considered "employed in the child care industry" if they've been enrolled in a child care related curriculum.)

Letters will only be accepted at a new facility if they are "ported" electronically.
