Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Family Child Care Learning Home, 290-2-3. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Licensure

290-2-3-.04 Application Requirements(CR)**Not Met****Finding Associated with Complaint**

290-2-3-.04(1)(d) requires a person that provides care for more than six children for pay, related or unrelated, as defined in these rules, shall make application to the Department for a license to operate a Child Care Learning Center, except as provided in 290-2-3-.07(15). It was determined based on observation, the center failed to provide care for six or less children for pay as required. Based on observation, eighteen children, unrelated and for pay were present at the provider's Family Child Care Learning Home on this date. Sixteen children were observed to be on the attendance sheet, however, during the visit and after the attendance sheet request, two additional children arrived. It was further determined based on children attendance sheets and interviews with staff that on February 20, 2020, the home cared for sixteen unrelated children and for pay.

POI (Plan of Improvement)

The Family Child Care Learning Home caring for more than six children shall reduce the number of children in care to six. The Family Child Care Learning Home will submit an application for a Child Care Learning Center and receive a license to operate from the Department before caring for more than six children, related or unrelated, for pay.

Correction Deadline: 2/26/2020

The provider was caring for sixteen children unrelated and for pay at the time of the visit. The provider acknowledged and confirmed the number of children at the time of the visit.

POI (Plan of Improvement)
