Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Finding

290-2-3-.13(2)(a) requires that outdoor play areas be kept clean and free of hazards such as exposed sharp corners of concrete or equipment, rust and splinters on equipment, broken glass, open drainage ditches, holes and stagnant water. It was determined based on observation that three AC units were accessible to the children on the outdoor play area. The ceiling area walking outside on the deck to access the play area was not intact in areas. A square portion on the ceiling material was not drilled in on all four corners causing it to hang slightly.

Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on measurements that a 10 inch gap was observed on the left side of the gate preventing it from being connected to the deck area.
