Comments

Investigative findings were concluded on January 23, 2023. The file will be sent to the state office for filing.

Advisement of Potential for Repeated Rule Violations during Pending Investigations

This report shall serve as official notice of potential rule violations. These potential rule violations have been detailed in this report and discussed with you by the consultant. The department shall conduct a thorough investigation to determine if in fact the alleged rule violation(s) should not be substantiated. Please be aware that the investigation may take some time to be finalized to ensure fairness and accuracy. During this investigation period, any violations of an identical rule or rules will require the department to treat any and all substantiated rule violations identified in the investigation as repeated rule violation(s).

Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Please refer to the website, http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- · All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

The following information is associated with a Complaint Closure:

Children's Records

591-1-1-.08 Children's Records

Not Met

Finding Associated with Complaint

591-1-1-.08(3) requires Center Staff to maintain a file for each child that includes documentation of incidents requiring professional medical attention, other than simple first aid performed by Center Staff, to include: child's name, type of illness or injury, date of illness or injury, how injury or illness occurred, Staff present, method of notifying Parent(s) and services provided to the child. It was determined based on staff interviews and written statements, the incident report that was written on December 2, 2022, was not given to the person who picked up the two-year-old child. The incident report was found on the desk of the director of the center.

POI (Plan of Improvement)

The director will review the documentation requirements with Center Staff, which will include notifying the director or person-in-charge of such an incident, and will ensure the required information related to incidents is maintained on file for each child.
