Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

Staff Records

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR) Not Met

Finding Associated with Complaint

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on an investigation, that two staff members, staff #11 and staff #15, in the center did not have a current satisfactory Comprehensive Records Check Determination and they were observed present at the center while children were present. An additional staff member, staff #5, had a satisfactory Comprehensive records Check Determination, however, it was outside of the portability dates. Staff #5 was also observed present at the center on the day of the visit while children were present. The hire date for staff #5 was 5/17/2017, staff #11 was 9/21/2021 and staff #15 was 7/26/2021. All three staff members were present at the center on a regular basis since their hire dates.
