Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. The following information is associated with a Complaint Investigation by Phone:

<b>Safety</b>
---------------

**591-1-1-.36 Transportation(CR)**

**Not Met**

**Finding**

591-1-1-.36(6) requires written Parental authorization for routine transportation provided by or on behalf of the Center. Written authorization must include the routine pick-up location, routine pick-up time, routine delivery location, routine delivery times and the name of any person authorized to receive the child. It was determined based on investigation that center staff failed to follow signed parental authorization when a nine-year-old child and a five-year-old child were not picked up from the school where they attended and notification was not given to the parent that transportation would not longer be provided to the children.

**POI (Plan of Improvement)**

The Center will obtain the required written parental authorization and provide notification to parents in advance when school transportation cannot be provided.

**Correction Deadline: 4/28/2021**
