Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.33(4) requires within the first year of employment, the Director and person with primary responsibility for food preparation shall have four clock hours of training in food nutrition planning, preparation, serving, proper dish washing and food storage. It was determined based on review of files that the Director and another staff responsible for serving meals did not have evidence of a valid four hour nutrition training certificate. A training certificate was observed, however it was not a Bright from the Start approved training course. It was completed by the food program.

POI (Plan of Improvement)

The Center will schedule food preparation training, as required, and follow up to ensure the training is completed.
