Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that the bottom of the fence contained exposed spikes where the mulch was washed away. The areas affected are the second and third section upon exiting the building from left to right and the fourth and fifth section to the right of the fence from left to right.

**POI (Plan of Improvement)**

**Finding**

591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on on a review of records that a staff rehired on November 14, 2022, did not have evidence of their records check being electronically ported.

- Please ensure that applicants/staff are listing exact dates (including month/day/year) on 10-year work history form in order to determine any breaks in service from the childcare industry.
- Please ensure that all staff, volunteers, independent contractors, substitutes etc...has their records check electronically ported to the center's list in KOALA before being present at the facility.
- Please ensure that records checks are redone if there is a six-month break in service.
- Please also ensure that satisfactory records checks are updated before the expiration date.
- Ensure that all therapists and other independent contractors have an updated records check on file, before being present at the center.
- Please ensure that staff with a national background check is always present with a staff who has a comprehensive background check. Staff should never be by themselves.

**POI (Plan of Improvement)**
