The investigation remains open on this date, pending additional information. Upon completion the finding will be reviewed with the provider and a final copy of the report will be sent.

The purpose of today's virtual visit was to conduct a follow up to the licensing study previously conducted and to complete an investigation for a self reported incident Intake # 42653. The consultant answered all questions at the time of the visit and informed the center administrator that a copy of this report would be made available to the center on the next business day.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance.
