Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Finding

290-2-3-.19(1)(a) requires that the Home shall provide either a safety approved crib or other equipment that is approved for infant sleep for each infant (any child under the age of twelve (12) months or any child who is under eighteen (18) months of age who is not walking), who cannot climb out of the crib or other approved equipment. Each crib shall be safety approved in compliance with Consumer Product Safety Commission (CPSC) and American Society of Testing and Materials International (ASTM) safety standards; any other equipment, such as, but not limited to, a portable crib, playpen, play yard or bassinet, shall be in compliance with current ASTM Standard Consumer Safety Specifications for Non-Full-Size Baby Cribs/Play Yards. It was determined based on observation that the provider failed to provide a safety approved crib for all children under the age of twelve (12) months or any child who is under eighteen (18) months of age who is not walking as required. Consultant observed two cribs and there were a total of four children under the age of twelve months at the time of the review.
