Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

591-1-1-.32 Staff:Child Ratios and Group Size(CR)

Not Met

Finding Associated with Complaint

591-1-1-.32(1) requires the Center to maintain the required Staff:child ratios as follows: under 1 year or under 18 months if not walking = 1:6; 1 year and walking = 1:8; 2 years = 1:10; 3 years = 1:15; 4 years = 1:18; 5 years = 1:20; and 6 years and older = 1:25. A Center must establish groupings of children for care with maximum group sizes as follows: under 1 year = 12; under 18 months/not walking = 12; 1 year and walking = 16; 2 years = 20; 3 years = 30; 4 years = 36; 5 years = 40; and 6 years and older = 50. It was determined based on investigative findings that the center staff failed to adhere to the required ratio requirements for two-year-old children when one staff member was observed to care for 15 two-year-old children on August 25, 2022. No injuries were reported.

POI (Plan of Improvement)

The Center will hire additional Staff or reschedule current Staff to meet required Staff:child ratios and will organize children into groups that meet requirements.

Correction Deadline: 9/12/2022

Finding Associated with Complaint

591-1-1-.32(2) requires the Center maintain Staff:child ratios in mixed-age groups based on the age of the youngest group of children that includes more than twenty percent of the total number of children in the mixed-age group. It was determined based on investigative findings that center staff failed to maintain staff: child ratios in mixed-age groups based on the age of the youngest group of children that included more than 20% of the total number of children in the mixed-age group when one staff member cared for 17 children (five two-year-olds and 12 three-year-old) on August 11, 2022. No injuries were reported.

POI (Plan of Improvement)

The Center will provide adequate staff when there is a mixed-age group.

Correction Deadline: 9/12/2022

Finding Associated with Complaint

591-1-1-.32(5) requires that during day-time rest or sleeping periods, at least one Staff person is in each room providing direct supervision of the children and all Staff required by these rules relating to Staff: child ratios are in the Center and available to assure safe evacuation in an emergency. Staff: child ratios may be doubled for children three (3) years and older provided these requirements are met. It was determined based on investigative findings that on August 11, 2022, at approximately 1:00 p.m. that the center failed to adhere to the required nap time ratios for children under the age of three when a ratio of 1:17 (five two-year-old children and 12 three-year-old children) was present in the three-year-old classroom. No injuries were reported.

POI (Plan of Improvement)

The Center will rearrange staff schedules to ensure the required number of staff are in each room and available.

Correction Deadline: 9/12/2022
