The Consultant left a one-day criminal records check letter on this date.

The Consultant left the Affidavit Verifying Completion of Background Check Video Units on this date which must be returned completed within five business days (September 3, 2025).

Discussed that effective July 1, 2025, new staff are required to obtain pediatric First Aid and pediatric CPR training within 45 days of employment. It was further discussed that programs must have at least one person with current pediatric First Aid and pediatric CPR training in each classroom at all times.

Discussed updating the Center's policies and procedures to include the program's practices regarding the expulsion and suspension of children enrolled for care within the description of behavior management and discipline actions used by the Center.

Also discussed to ensure a description of the practices followed by the Center to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children.

Additional information can be found in the CCLC Indicator Manual found on DECAL's website at:

<https://www.dec.state.ga.us/CCS/Regulations.aspx> or through the Center on Shaken Baby Syndrome found at: <https://dontshake.org/>.

Discussed that all Employees, including volunteers, independent contractors, students-in-training, etc. should have a completed initial program orientation form on file.

Discussed that effective July 1, 2025, all staff are required to obtain at least two hours in evidence based, developmentally appropriate language and literacy practices and at least two hours in on-going child development and health and safety related topics as part of their 10 hours of annual training.

The CCS Consultant discussed and left a copy of the updated Child Care Weather Watch Chart with the program today. Weather does not permit outdoor play when there is active precipitation or when weather advisories are in effect. Consult the Child Care Weather Watch Chart resource for further guidance, considering specific weather conditions.

(O.C.G.A. Section 20-1A-4)

Finding

591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on a review of records that staff #12, an Independent Contractor, was present on Tuesday, August 19, 2025, and had a current satisfactory Criminal Background Check that had not been ported to this license number. The portability deadline was August 14, 2026, and the expiration date was August 13, 2030. The Contractor was not on site while the Consultant was present.

POI (Plan of Improvement)

The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will follow the procedures presented in the training videos to ensure CRC rules are maintained.
