Comments

The purpose of this visit was to conduct a Licensing Study. Documentation was unavailable for consultant to review. Consultant did review from previous Administrative Reviews enter into the system.

An exit conference discussing report was held with the Provider's sister on this date.

Provider was not present in the home at the time of the visit.

Plan of Improvement: Developed This Date 11/08/2022

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.state.ga.us for more information. Free technical assistance is available!

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. 290-2-3-.11 First Aid Kit **Not Met**

Finding

290-2-3-.11(1)(e) requires the Home and any vehicle used for transportation Children to have a first aid kit which at least contains: scissors, tweezers, gauze pads, thermometer, adhesive tape, band-aids, insect - sting preparation, antiseptic cleaning solution, antibacterial ointment, bandages, disposable rubber gloves, protective eyewear, facemask, and cold pack. The first aid kit, together with a first aid instruction manual which must be kept with the kit at all times, shall be stored in a central location so that it is not accessible to Children but is easily accessible to the Provider and Staff. The Home must also maintain written directions for the use of universal precautions for handling blood and bodily fluids. The directions on the use of universal precautions must be kept with the first aid kit at all times. It was determined based on consultant checking the first aid kit, the following items were missing from the first aid kit: protective eye wear, disposable rubber gloves, face mask, thermometer and adhesive tape.

POI (Plan of Improvement)

The Home will replace any missing items in the first aid kit, keep the instruction manual and written universal precautions with the kit and will check the kit regularly. The Home will store the kit where children will not have access to it.

Correction Deadline: 11/18/2022

290-2-3-.11 Transportation(CR) **Met**

Comment

The provider does not provide routine transportation.

290-2-3-.21 Criminal Records and Comprehensive Background Checks(CR)**Met****Comment**

Criminal records checks were observed to be complete.

290-2-3-.07 First Aid & CPR**Not Met****Finding**

290-2-3-.07(8) requires the Home to maintain for the Provider and any Provisional Employee or Employee with direct care responsibilities current evidence of successful completion of a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid which have been offered by certified or licensed health care professionals or trainers and which dealt with emergency care for infants and children. Such training must be completed prior to initial licensure for the Provider and within 90 days from date of hire for Provisional Employees and Employees. The Provider, a Provisional Employee or Employee with current CPR and first aid training must always be on the Home's premises and on any field trip whenever any Child is present. It was determined based on consultant's observation that the person present with the children was not certified in CPR or First Aid.

POI (Plan of Improvement)

The Home will obtain the required CPR and first aid training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested. The Home will ensure that there is always a Staff person on the Home's premises and on any field trip whenever any Child is present.

290-2-3-.07(26) requires the Family Child Care Learning Home to have qualified and sufficient direct-care, clerical, housekeeping, maintenance and other support staff to ensure full compliance with these rules without neglecting the supervision of Children. It was determined based on observation that child in care was left with a person that was not a staff member and not qualified to ensure full compliance with the rules.

POI (Plan of Improvement)

The Family Child Care Learning Home will ensure that an adequate number of qualified employees is available to ensure full compliance with these rules without neglecting the supervision of the Children.

Correction Deadline: 11/8/2022**290-2-3-.07 Staff Qualifications(CR)****Met****Comment**

Staff observed to be compliant with applicable laws and regulations.

Finding

290-2-3-.07(7) requires that the Provider, Employees and Provisional Employees with direct care responsibilities shall complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: prevention and control of infectious diseases (including immunizations); prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome, abusive head trauma and child maltreatment; emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); handling and storage of hazardous materials and the appropriate disposal of bio contaminants; precautions in transporting children; recognition and reporting of child abuse and neglect; and child development. It was determined the provider could not provide documentation that the person left caring for the child has completed the required ten hours of Health and Safety.

POI (Plan of Improvement)

The Provider will complete the required training and will ensure any Employees or Provisional Employees complete the training. The Provider will develop a plan to ensure that any new Staff hired complete the training as required.

Correction Deadline: 12/8/2022

Comment

Consultant observed documentation of the required ten (10) hours of annual training for the year 2021.
