If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Health and Hygiene

591-1-1-.17 Hygiene(CR)

Not Met

Finding Associated with Complaint

591-1-1-.17(2) requires that Personnel, to the extent possible, keep children clean, dry and comfortable. It was determined based on statements, interviews, photographs, and phone records; this allegation was substantiated. On May 5, 2026, around 3:30 p.m., center staff failed to keep a 4-year-old child clean, dry, and comfortable when the child had a toileting accident and remained wearing a diaper, which contained feces, for more than 1 hour. Shortly after the staff were made aware that the child had had a toileting accident, the parent was contacted by phone. The child was advised to remain in the center's waiting area until the parent arrived with a change of clothing. When the parent arrived, the child was observed to be wearing a pull up that smelled of feces. Upon the parent's arrival, the staff was directed to change the child's pull-up.

POI (Plan of Improvement)

The Center will train staff, review regularly, and monitor.

Correction Deadline: 7/7/2026

591-1-1-.11 Discipline(CR)

Not Met

Finding Associated with Complaint

591-1-1-.11(2) requires that Personnel not: physically or sexually abuse a child or engage or permit others to engage in sexually overt conduct in the presence of any child enrolled in the Center; inflict corporal/physical punishment upon a child; shake, jerk, pinch or handle a child roughly; verbally abuse or humiliate a child which includes, but is not limited to, the use of threats, profanity or belittling remarks about a child or his family; isolate a child in a dark room, closet or unsupervised area; use mechanical or physical restraints or devices to discipline children; use medication to discipline or control children's behavior without written medical authorization issued by a licensed professional and given with the parent's written consent; restrict unreasonably a child from going to the bathroom; punish toileting accidents; force-feed a child or withhold feeding a child regularly scheduled meals and/or snacks; force or withhold naps; allow children to discipline or humiliate other children; or confine a child for disciplinary purposes to a swing, highchair, infant carrier, walker or jump seat. It was determined based on statements, interviews, and phone records; this allegation was substantiated. A staff member was observed as hitting a 4-year-old child on their mouth to discipline the child. Statements and interviews proved that the child was hit on their mouth on undetermined dates throughout the months of March 2026 and June 2026. No professional medical attention was obtained. It was further determined that throughout the months of March 2026, and June 2026, center staff served jalapeno juice to a 4-year-old child. It was revealed that the jalapeno juice was in the Director's office and made to be accessible to children. It was further determined that on an undetermined date a previously enrolled 5-year-old child ingested some of the juice as well. No professional medical attention was obtained.

POI (Plan of Improvement)

The Center will take immediate action to ensure the action/conduct has ceased; train/review appropriate child guidance techniques with center staff; and have a system in place to monitor and identify inappropriate actions.
