The Consultant reviewed Staff records, Child Records, and evaluated Core Rules and Non-Core Rules.

Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Technical Assistance

290-2-3-.08(1) requires the Home to have a current and updated record for each Child in care and for a period of one (1) year after each Child leaves. Such records shall include: identifying information (Child's name, birth date, Parent's name, home and business addresses, telephone numbers); name, address and telephone number of persons, including Child's physician, to contact in emergencies; and name, address, telephone numbers, relationship to Child and to Parent(s) and other identifying information of person(s) to whom the Child may be released. The Consultant discussed with the Provider to ensure that the Child's enrollment record included the physician's telephone number, as required.

Correction Deadline: 10/29/2025

Finding

290-2-3-.08(2) requires the Home to maintain a file for each Child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations; enrollment in the Home may not continue for more than 30 days without such evidence. It was determined based on a review of records that Child #4 did not have an immunization record on file, as required, on this date.
