An in person inspection was conducted on February 9, 2024 with the office assistant and next in charge.

Plan of Improvement: Developed This Date 02/09/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

Finding

591-1-1-.26(6) requires that playground equipment provide an opportunity for the children to engage in a variety of experiences and shall be age-appropriate. For example, toddlers shall not be permitted to swing in swings designed for School-age Children. The outdoor equipment shall be free of lead-based paint, sharp corners and shall be regularly maintained in such a way as to be free of rust and splinters that could pose significant safety hazard to the children. All equipment shall be arranged so as not to obstruct supervision of children. It was determined based on observation that the green and orange see saws had chipped paint on the seats.

POI (Plan of Improvement)

The Center will provide a variety of age-appropriate equipment that is arranged so as not to obstruct supervision of children. Staff will check the equipment daily to ensure that the equipment is free of hazards, rust and splinters.

Correction Deadline: 2/19/2024

Finding

591-1-1-.15(5) requires that the Center provide a menu listing all meals and snacks to be served during the current week except for School-age Centers where the food may be provided by the Parent(s) by agreement between the School-age Center and the Parent(s). Substitutions shall be recorded on the posted menu and menus shall be retained at the Center for six (6) months. It was determined based on a review of records that the menu was changed, but the new menu items were not documented and posted.

POI (Plan of Improvement)

The Center will list all of the current week's meals and snacks and all substitutions on the menu and keep past menus on file for six months and will implement a system to monitor this.

Technical Assistance

Paperwork, checklist, permission forms, annual inspection form and proper check of the vehicle after transportation were discussed with the acting director and assistant.

Finding

591-1-1-.36(4)(a) requires an annual safety check for each vehicle. The annual safety check, completed by a trained individual, should include a check of the: tires, headlights, horn, taillights, turn signals, brake lights, brakes, suspension, exhaust system, steering, windows, windshields and windshield wipers. A copy of the annual safety check will be kept in the Center or on the vehicle and should include evidence of any repairs and/or replacements that were identified as needed on the inspection report. It was determined based on a request for a reviewing of files that the vehicle inspection report was not provided on this date.

POI (Plan of Improvement)

The Center will obtain the annual vehicle inspection.

Correction Deadline: 2/14/2024

Finding

591-1-1-.36(4)(b) requires that the interior of a transportation vehicle be clean, in safe repair and free of hazardous items, objects and/or other non-essential items which could cause injury. It was determined based on observation that the following was observed on the center's van:

- 1) The back side of the first seat had two large tears on the right and left side
- 2) The backside of the second seat had three tears
- 3) The backside of the third seat had two small tears
- 4) There was dirt and debris located on the front, middle, and far back side of the van

POI (Plan of Improvement)

The center will maintain that all transportation vehicles are clean, in safe repair, and free from hazards.
