Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

The following information is associated with a Complaint Investigation by Phone:

Activities and Equipment

591-1-1.12 Equipment & Toys(CR)

Not Met

Finding

591-1-1.12(1) requires each Employee and child in attendance to use all indoor and outdoor furniture, activity materials, and equipment in a safe and appropriate manner and in accordance with the manufacturer's instructions, recommendations, and intended use. All equipment and furniture shall be used only by the age-appropriate group of children. It was determined based on the center's self-report that on February 24, 2024, a seven-year-old child in care sustained an injury above their left eye when the child hit a basketball pole that was not padded while playing basketball with another child. In review of the manufacture instructions thick padding should surround the frame of the basketball pole to help prevent injuries. Additionally, manufacture instructions states this basketball hoop is not intended for aggressive competitive play.

POI (Plan of Improvement)

The Center will ensure Staff are trained in and children are taught the proper use of all furniture, materials and equipment; will implement a plan for this information to be reviewed with both groups on an ongoing basis; and for monitoring proper and age-appropriate usage.

Correction Deadline: 3/18/2024
