Reminders:

-Please ensure to complete all temporary closures by 8 a.m. (vacation, emergencies, school closures, holidays etc...) in DECAL KOALA at all times under the Required Report tab whenever your facility is closed temporarily when you are not caring for children for one day or more.

Please be sure to SAVE the report prior to exiting.

-For centers conducting or planning on conducting transportation, please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperones on a trip, and signing the checklist, including the director. Please ensure that directors ensure that they also complete the transportation training upon being hired at the center. *Please don't forget to always do a physical first and second check of vehicles that are used to transport children.

Criminal Records Checks Reminders:

-Please ensure that applicants/staff are listing exact dates (including month/day/year) on 10-year work history form in order to determine any breaks in service from the childcare industry.

-Please ensure that all staff, volunteers, independent contractors, substitutes, therapists, etc...has their records check electronically ported to the center's list in KOALA before being present at the facility.

-Please ensure that records checks are redone if there is a six-month (180 calendar days) break in service from the childcare industry.

-Please also ensure that satisfactory records checks are updated before the expiration date.

-Ensure that all therapists and other independent contractors have an updated records check on file, before being present at the center or home or ensure that the individual is supervised at all times by a staff member who has a comprehensive records check if they do not have a records check on file.

-Please ensure that staff with a national background check is always present with a staff member who has a comprehensive background check. Staff should never be by themselves.

Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:
