Reminders: Refer to the published communicable disease chart for guidance regarding communicable diseases. In most scenarios, only outbreaks/clusters should be reported to the local health districts. Please be sure you are using the most updated chart.

Please be sure to contact the Hart County Department of Health, if there are any outbreaks/clusters of positive COVID-19 cases immediately and get their guidance. Please be sure to also complete a Required Report in DECAL KOALA for all individual cases of communicable diseases within 24 hours. Be sure to select "Notifiable Communicable Diseases" to report closures for COVID cases.

Be sure to enter all temporary closures by 8 a.m. (vacation, emergencies, school closures, holidays etc...) in DECAL KOALA at all times under the Required Report tab whenever your facility is closed temporarily because you are not caring for children for one day or more. Please be sure to SAVE the report prior to exiting.

All amendments are required to be electronically submitted in DECAL KOALA effective 2021.

Please be sure to hide staff who are no longer employed in your DECAL KOALA account. Please reach out for help with this, if needed.

Please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors ensure that they complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation and plan on conducting transportation.

**Beginning January 1, 2024, there is a free Transportation Training available on OLLI in Georgia PDS (GaPDS) as ProSolutions will no longer offer the class for free. Also, you will be able to find the Health and Safety Orientation Training, which will be 15 hours, for free as well.

Talk about updated orientation checklist.

Indicator manual and utilizing it. FYI: As of October 1, 2024, for larger equipment please be sure to have the amount of equipment for the amount of children enrolled (this include cribs, chairs, etc.)

Talk about updated Transportation forms including sample as of October 1, 2023, use immediately.

Discussed regarding ensuring to complete rechecks for Criminal Records checks at least 90 days before the five-year expiration. Suggestion: Check monthly or sooner to ensure that staff's criminal records checks are not about to expire.

Don't forget to post new license beginning January 1, 2025.

Plan of Improvement: Developed This Date 11/04/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

(O.C.G.A. Section 20-1A-4)

-Please ensure that all staff, volunteers, independent contractors, substitutes, therapists, etc...has their records check electronically ported to the center's list in KOALA before being present at the facility.

-Please ensure that records checks are redone if there is a six-month (180 calendar days) break in service from the childcare industry.

-Please also ensure that satisfactory records checks are updated before the expiration date.

-Ensure that all therapists and other independent contractors have an updated records check on file, before being present at the center or home or ensure that the individual is supervised at all times by a staff member who has a comprehensive records check if they do not have a records check on file.

-Please ensure that staff with a national background check is always present with a staff member who has a comprehensive background check. Staff should never be by themselves.

591-1-1-.14 First Aid & CPR**Not Met****Finding**

591-1-1-.14(2) requires a Staff member who is trained in CPR and first aid to be on the premises and on any field trip whenever any child is present. In addition, Staff who provide direct care to children must satisfactorily obtain certification in first aid and CPR by December 29, 2016 if employed prior to September 30, 2016 and within 90 days of their hire date if employed after September 30, 2016. It was determined based on a review of records that staff #5, hired on March 6, 2024, did not have evidence of CPR and First Aid.

POI (Plan of Improvement)

The Center will develop a schedule to ensure there is always a staff person with current first aid and CPR training present and will develop and implement a plan to ensure all staff members have satisfactorily completed first aid and CPR training by the specified date.

Correction Deadline: 12/4/2024**Finding**

591-1-1-.14(3) requires the Center to have a first aid kit in each building of the Center and in any vehicle used by the Center for transportation of children, that contains scissors, tweezers, gauze pads, adhesive tape, thermometer, band-aids, assorted sizes, antibacterial ointment, insect-sting preparation, an antiseptic cleansing solution, triangular bandages, rubber gloves, protective eye wear, a protective face mask, and a cold pack. The first aid kit, together with a first aid instruction manual which must be kept with the kit at all times, shall be stored so that it is not accessible to children but is easily accessible to Staff. It was determined based on observation that the following items were missing from vehicle tag number DWF 252's first aid kit; goggles, insect sting, antibacterial ointment, scissors, and medical tape. Also, in the building the first aid kit was missing goggles, cold pack and manual.

POI (Plan of Improvement)
