Advisement of Potential for Repeated Rule Violations during Pending Investigations

This report shall serve as official notice of potential rule violations. These potential rule violations have been detailed in this report and discussed with you by the consultant. The department shall conduct a thorough investigation to determine if in fact the alleged rule violation(s) should or should not be substantiated. Please be aware that the investigation may take some time to be finalized to ensure fairness and accuracy. During this investigation period, any violations of an identical rule or rules will require the department to treat any and all substantiated rule violations identified in the investigation as repeated rule violation(s).

Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

	Safety
591-1-1-.11 Discipline(CR)	Not Met

Finding Associated with Complaint

591-1-1-.11(2) requires that Personnel not: physically or sexually abuse a child or engage or permit others to engage in sexually overt conduct in the presence of any child enrolled in the Center; inflict corporal/physical punishment upon a child; shake, jerk, pinch or handle a child roughly; verbally abuse or humiliate a child which includes, but is not limited to, the use of threats, profanity or belittling remarks about a child or his family; isolate a child in a dark room, closet or unsupervised area; use mechanical or physical restraints or devices to discipline children; use medication to discipline or control children's behavior without written medical authorization issued by a licensed professional and given with the parent's written consent; restrict unreasonably a child from going to the bathroom; punish toileting accidents; force-feed a child or withhold feeding a child regularly scheduled meals and/or snacks; force or withhold naps; allow children to discipline or humiliate other children; or confine a child for disciplinary purposes to a swing, highchair, infant carrier, walker or jump seat. It was determined based on an investigation that on April 29, 2025, a staff member roughly handled a two-year-old while a two-year-old child was being diapered on the diaper changing table. The staff member was observed to pull the two-year-old child's arms over the child's head and roughly turn the child over by jerking the upper body area of the two-year-old child to get the child to remain still.

POI (Plan of Improvement)

The Center will take immediate action to ensure the action/conduct has ceased; train/review appropriate child guidance techniques with center staff; and have a system in place to monitor and identify inappropriate actions.

Correction Deadline: 4/29/2025

	Staffing and Supervision
591-1-1-.32 Staff:Child Ratios and Group Size(CR)	Not Met

Finding Associated with Complaint

591-1-1-.32(2) requires the Center maintain Staff:child ratios in mixed-age groups based on the age of the youngest group of children that includes more than twenty percent of the total number of children in the mixed-age group. It was determined based on staff interviews and investigative findings that on April 29, 2025 at approximately 8:30 a.m. there was a ratio of 1:12 (one two-year-old child and eleven one year old children) in Classroom A when the required ratio was 2:12.

POI (Plan of Improvement)

The Center will provide adequate staff when there is a mixed-age group.

Correction Deadline: 4/29/2025
