Comments

The findings of this report were reviewed with the Provider on this date. Previous rule violations were observed/discussed.

Plan of Improvement: No Plan Developed

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

You have received permission to operate and the form received with this report is intended to serve as a temporary license which is **valid for thirty(30) days**. Your actual license/ will be emailed to you upon receipt of the licensing fee. You may pay the licensing fee either online at <http://www.decal.ga.gov/> or by certified check or money order mailed to: Bright from the Start, 2 Martin Luther King Jr. Drive SE, Suite 670 East Tower, Atlanta, GA 30334

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

The following information is associated with a Monitoring Visit:

Activities and Equipment

591-1-1-.12 Equipment & Toys(CR)

Not Met

Technical Assistance

591-1-1-.12(2) - requires that all equipment and furniture be free from hazardous conditions such as, but not limited to, sharp rough edges or toxic paint; and be kept clean. The Consultant and Director discussed ensuring that vinyl furniture remains free from tears and exposed foam.

Correction Deadline: 3/17/2026

Finding

591-1-1-.12(2) requires that all equipment and furniture be free from hazardous conditions such as, but not limited to, sharp rough edges or toxic paint; and be kept clean. It was determined based on observation that the mounted play mirror at the back middle of the classroom 2nd Right Rear had a torn vinyl border with exposed foam.

POI (Plan of Improvement)

The Center will ensure that equipment and furniture are used by the age-appropriate group of children.

Correction Deadline: 3/17/2026

591-1-1-.25 Physical Plant - Safe Environment(CR)

Not Met

Technical Assistance

591-1-1-.25(13) - requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. The Consultant and Provider discussed ensuring that ziplock bags with plastic sliders remain inaccessible to children.

Correction Deadline: 3/17/2026

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation that the following potential hazards were accessible to children on this date:

Classroom 1st Left Rear

- There was a plastic grocery bag hanging inside the cubbies outside the classroom located at the right side of the hallway.
- There were two plastic grocery bags inside the cabinet located at the left middle of the classroom.

Classroom Front Left

- There was an unlocked cabinet under the diapering surface with four packs of Parent's Choice baby wipes, an open pack of Huggies pampers, a bottle of Germ-X hand sanitizer, and a tube of Parent's Choice Vitamin A & D Ointment located at the front left of the classroom.

Classroom Front Right

- There was a Staff purse on top of the counter at the right middle of the classroom.
- There were three packs of diapers in plastic packaging in the unlocked cabinets located at the front right and front middle of the classroom.

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

Correction Deadline: 3/17/2026

Finding

591-1-1-.25(3) requires the Center and surrounding premises to be kept clean, free of debris and in good repair. Hygienic measures such as, but not limited to, screened windows and proper waste disposal procedures shall be utilized to minimize the presence of rodents, flies, roaches and other vermin at the Center. It was determined based on observation that the following areas were not in good repair on this date:

Classroom 1st Left Rear

- There was a missing cabinet door located at the back right of the classroom.

Classroom Front Right

- There was a wooden cabinet with a damaged door that was hanging off the hinges, and a wooden cabinet with a missing door located at the back right of the classroom.

POI (Plan of Improvement)

The Center will have the Center and surrounding areas cleaned, make repairs where needed, and remove all debris is removed. The Center will implement a plan to keep areas clean and in good repair that includes regular monitoring.

Correction Deadline: 3/17/2026

591-1-1-.26 Playgrounds(CR)**Not Met****Finding**

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that the chain link fence between the school playground and the toddler playground had a bottom gap measuring nine inches by 36 inches causing an entrapment hazard.

POI (Plan of Improvement)

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

Correction Deadline: 3/17/2026

Technical Assistance

591-1-1-.26(9) - requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. The Consultant and Director discussed ensuring that tree roots are painted to prevent tripping hazards.

591-1-1-.14(1)(a) requires all Staff who provide direct care to children must obtain certification in a biennial training program in pediatric cardiopulmonary resuscitation (CPR) and a triennial training program in pediatric first aid within the first 45 days of employment. Current and valid evidence of the successful completion of such training shall be maintained on the Center's premises. The hours obtained completing this certification will not count towards the required annual training hours. It was determined based on a review of records that Staff hired on January 20, 2026, and staff hired on November 17, 2025 did not have documentation of obtaining certification in a biennial training program in pediatric cardiopulmonary resuscitation (CPR) and a triennial training program in pediatric first aid within the first 45 days of employment as required on this date.

POI (Plan of Improvement)

All caregiver Staff will complete the required training. The Director will send copies via email verification of completed CPR/First Aid certification to the consultant upon completion and will develop a plan to ensure all caregiver Staff have completed this training within the first 45 days of employment and that evidence of successful completion of the training is on file available for inspection.

Correction Deadline: 4/7/2026

591-1-1-.33 Staff Training**Not Met****Finding**

591-1-1-.33(5)(b)(2)(i)-(iv) requires the annual ten (10) clock hours of training shall include at least two (2) hours in on-going child development and health and safety related topics, which could include, but not be limited to:

(i) Child development (e.g., developmental domains (cognitive; social and emotional; physical development and motor skills; communication, language, and literacy; approaches to play and learning), discipline and guidance techniques, children with special needs); (ii) Health (e.g., nutrition and the support of breast feeding, physical activity, prevention and control of illnesses and infectious diseases, immunizations, prevention of and response to emergencies due to food and allergic reactions, cleanliness, sanitation, and the appropriate disposal of bio contaminants); (iii) Safety (e.g., prevention of Sudden Unexpected Infant Death (SUID) which includes Sudden Infant Death Syndrome (SIDS) and the use of safe sleeping practices, medication administration, injury control and prevention, transportation, handling and storage of hazardous materials, identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic, and emergency preparedness planning and response); (iv) Child abuse and neglect (e.g., identification and reporting, meeting the needs of abused and/or neglected children, prevention of shaken baby syndrome, abusive head trauma and child maltreatment). It was determined based on a review of records that Staff hired on November 17, 2025 did not have documentation of completing health and safety training within the first 90 days of employment as required on this date.

POI (Plan of Improvement)

The Center will plan and schedule the required 10 hours of annual training each year to include a least two (2) hours of on-going child development and health and safety related topics and follow up to ensure the training is completed.

Correction Deadline: 4/16/2026

591-1-1-.31 Staff(CR)**Met****Comment**

Staff observed to be compliant with applicable laws and regulations.

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR)**Met****Comment**

Center observed to maintain appropriate staff:child ratios.

591-1-1-.32 Supervision(CR)**Not Met****Finding**

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that Staff in classroom Front Left was not seated within an arm's length away from children thirty-six (36) months of age and younger as required on this date.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 3/17/2026
