The department shall conduct a thorough investigation to determine if in fact the alleged standard violation(s) should or should not be substantiated. Please be aware that the investigation may take some time to be finalized to ensure fairness and accuracy. Further, from time to time the department discovers additional standard violations during the course of an investigation. If there are new standard violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical standard(s) will require the department to treat any and all additional standard violations identified in the investigation as repeated standard violations.
