Comments

Be sure to enter all temporary closures by 7 a.m. (vacation, emergencies, school closures, inclement weather, holidays etc...) in DECAL KOALA under the Required Report tab whenever your facility is temporarily closed when you are not caring for children for one or more days. Be sure to SAVE the report before exiting.

All amendments are required to be electronically submitted in DECAL KOALA.

Please be sure to hide staff who are no longer employed in your DECAL KOALA account. Please reach out for help with this, if needed.

All programs: Please ensure that the director and staff responsible for food preparation completes the four (4) hours of nutrition training as soon as possible but within the first year of employment. (if applicable)

Please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation before you plan to conduct transportation in the future. (if applicable)

**There is a free Transportation Training available on OLLI in Georgia PDS (GaPDS). Health and Safety Orientation Training 15-hour course is available free online in OLLI (staff must successfully complete all three trainings to meet licensing requirements). PLEASE NOTE: If the Health & Safety Orientation Training date is outside of the previous 12 months, the training was not approved for 10 credit hours, or the training certificate is not documented in the employee's GaPDS account, the Staff person will be required to take this training again, within their first 90 days of employment at a new facility. Reminder: Health and Safety Orientation Training can only be taken once every five years.

Discussed indicator manual and utilizing it.

Discussed regarding ensuring to complete rechecks for Criminal Records checks at least 90 days before the five-year expiration. Suggestion: Check monthly or sooner to ensure that staff's criminal records checks are not expiring.

Don't forget to post a new license annually.

Discussed regarding nap/crib mats regarding not using tape to repair; must replace (if applicable).

Updates beginning July 1, 2026: The new CRC process requires that every program sign a form called the Georgia National Child Protection Act/Volunteers for Children Act (NCPA/VCA) Public Qualified Entity Certification Statement. This statement must be signed by both the owner and the director of the childcare entity. Not signing the statement will prevent your program from receiving background check determination letters after July 1, 2026, and until the requirement has been fulfilled.

Recent Changes/Updates: Core Rule: CPR and First Aid will be due within 45 days. 2 hours of Language and Literacy/2 hours of Health and Safety training annually beginning July 1, 2025, a required for all staff. Also, SUID (Sudden Unexpected Infant Death Syndrome formerly SIDS) must be included on the orientation checklist along with abusive head trauma. **Please don't forget to add to your childcare policies and procedures concerning expulsion, suspension, and practices followed to prevent shaken baby syndrome and abusive head trauma.

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders.
