Reminders: Refer to the published communicable disease chart for guidance regarding communicable diseases. In most scenarios, only outbreaks/clusters should be reported to the local health districts.

Please be sure to contact the Gwinnett County Department of Health, if there are any outbreaks/clusters of positive COVID-19 cases immediately and get their guidance. Please be sure to also complete a Required Report in DECAL KOALA for all individual cases of communicable diseases within 24 hours. Be sure to select "Notifiable Communicable Diseases" to report closures for COVID cases.

You must be sure to enter all temporary closures by 8 a.m. (vacation, emergencies, school closures, holidays etc...) in DECAL KOALA at all times under the Required Report tab whenever your facility is closed temporarily because you are not caring for children for one day or more. Please be sure to SAVE the report prior to exiting.

Incident Reports are to be submitted via DECAL KOALA with all signed staff statements for staff and the director.

All amendments are required to be electronically entered in DECAL KOALA effective August 2, 2021.

Please be sure to hide staff who are no longer employed in your DECAL KOALA account. Please reach out for help with this, if needed.

For centers conducting or planning on conducting transportation, please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors ensure that they also complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation and plan on conducting transportation.

**Beginning January 1, 2024, there is a free Transportation Training available on OLLI as ProSolutions will no longer offer the class for free. Also, you will be able to find the Health and Safety Orientation Training, which will be 18 hours, for free as well.

Provided updated orientation checklist.

Share information regarding the indicator manual and utilizing it.

- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)
