Plan of Improvement: Developed This Date 09/10/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decga.gov for more information. Free technical assistance is available!

Not Met

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation that a silver purse was accessible to children in care in the middle section of the Left Front building. A gray and orange power tool was also observed accessible to the children on the shelf, near the exit door, in the front section of the Left Front Building.

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

Correction Deadline: 9/10/2024

Finding

591-1-1-.25(7) requires that doors to rooms not approved for child care, other than the kitchen doors, be latched or locked so children cannot wander into those areas. Except in School-age Centers, interior Center door locks shall permit Personnel to open the locked room from outside of the room in an emergency. It was determined based on observation in the Left Front building that a storage room, containing the water heater and a vacuum cleaner, was unlocked and accessible to children in care.

POI (Plan of Improvement)

The Center will routinely check that doors to unapproved rooms remain latched or locked and that Staff can open the locked rooms in an emergency.

Correction Deadline: 9/10/2024

Finding

591-1-1-.25(8) requires protective caps on all unused electrical outlets within children's reach and requires that electrical outlets in use be made inaccessible to children. It was determined based on observation in the Left Front Building that there were hanging cords from the flat screen television set mounted on the wall accessible to children in care.

POI (Plan of Improvement)

The Center will train Staff to check outlets and replace protective caps when needed and identify and monitor how outlets in use are inaccessible to children.

Correction Deadline: 9/10/2024

591-1-1-.26 Playgrounds(CR)

Not Met

Comment

Discussed maintenance of resilient surface. Please fluff and redistribute.

Finding

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that there was a 5 1/2 inch gap on the front left gate as well as a 12 inch gap on the front left corner of the fence. It was also observed that the top metal bar of the fence was detached from the fence in several places

POI (Plan of Improvement)

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

Correction Deadline: 9/10/2024

Finding

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation of the basketball court, on the playground, that the concrete edges were not flushed with the ground, posing a tripping hazard. Sharp edges were also observed on the back side of the basketball court. Additionally, a discarded tire was observed near the fence on the front right side of the playground. The tire was not a part of the playground equipment.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 9/10/2024

Finding

591-1-1-.09(1)(a) requires that a Center ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on review of staff records that staff #2 and staff #8, both with a hire date of 9/5/2024 ,did not have a valid comprehensive records check determination on file as required. Both determination letters were passed the portability deadline.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will audit staff list to ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site as required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will audit staff files periodically to ensure the CRC rules are maintained.

Correction Deadline: 9/10/2024

Finding

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on review of staff records that staff member #2 and staff member #8, both with a hire date of 9/5/2024, did not have a valid and current Satisfactory Comprehensive Records Check Determination on file. Staff member #2 was observed to be present, with children in care, in the Left Front Building. Staff member #8 was observed in the kitchen preparing lunch for the children.

Finding

591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on a review of staff records that staff member #1 and staff member #11 were not ported under the center's license number as required.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will audit staff records to ensure that only the most recently issued determination letter is electronically ported for Directors, Employees and Provisional Employees, excluding Students-in-Training.
