Comments

The purpose of this visit was to conduct a Monitoring Visit.

- The CCS Consultant discussed and left a copy of the updated Child Care Weather Watch Chart with the program today. Weather does not permit outdoor play when there is active precipitation or when weather advisories are in effect. Consult the Child Care Weather Watch Chart resource for further guidance, considering specific weather conditions.

Plan of Improvement: Developed This Date

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: <https://families.decal.ga.gov>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

Food Service

591-1-1-.15 Food Service & Nutrition

Not Met

Finding

591-1-1-.15(7) requires that food be served according to manufacturer's instructions and recommendations. Foods that are associated with young children's choking incidents, such as, but not limited to, peanuts, hot dogs, raw carrots, popcorn, fish with bones, cheese cubes, grapes and any other food that is of similar shape and size of the trachea/windpipe shall not be served to the children less than four (4) years of age. Children older than four (4) years of age may be served these foods provided that the foods are cut in such a way as to minimize choking. Food shall not be accessible or served to children until it has been chopped, diced, cut or mashed and is appropriate for each child's age and individual eating, chewing and swallowing ability. It was determined based on a review of the menu, that the center had blueberries listed and not an alternative for children under the age of four listed.

POI (Plan of Improvement)

The Center will train Staff and monitor food served and accessible to children to ensure that the food does not present a choking hazard.

Sleeping & Resting Equipment**591-1-1-.30 Safe Sleeping and Resting Requirements(CR)****Not Met****Finding**

591-1-1-.30(4). requires that if cots and mats are stored in the children's activity room or area, they shall be stored to prevent children's access to them and to allow maximum use of play space. When storage is available and used for the storage of cots and mats that allows the cots, mats and any bedding to be stored without touching any other cots, mats or bedding, the bedding may be left on the cot or mat. When such storage is not available for the cots and mats, each child's bedding shall be kept separate from other children's bedding and stored in containers marked for individual use, such as, but not limited to, bins, cubbies, or bags. It was determined based on observation that in the 1st Left Classroom blankets were stored touching.

POI (Plan of Improvement)

The Center will store cots and mats so children do not have access to them and they don't take up play space and will store them so each child's bedding is separate from the others.

591-1-1-.33 Staff Training

Not Met

Comment

Discussed that all Employees, including volunteers, independent contractors, students-in-training, etc. should have a completed initial program orientation form on file

: Discussed that effective July 1, 2025, all staff are required to obtain at least two hours in evidence based, developmentally appropriate language and literacy practices and at least two hours in on-going child development and health and safety related topics as part of their 10 hours of annual training.

Finding

591-1-1-.33(3)(a)-(k) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: a) prevention and control of infectious diseases (including immunizations); b) prevention of sudden infant death syndrome and use of safe sleeping practices; c) administration of medication, consistent with standards for parental consent; d) prevention of and response to emergencies due to food and allergic reactions; e) building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; f) prevention of shaken baby syndrome, abusive head trauma and child maltreatment; g) emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); h) handling and storage of hazardous materials and the appropriate disposal of bio contaminants; i) precautions in transporting children; j) recognition and reporting of child abuse and neglect; and k) child development to include all major domains: cognitive; social and emotional; physical development and motor skills; communication, language, and literacy; and approaches to play and learning. It was determined based on a review of records that two staff hired in 2025 had health and safety orientation from 2023.

POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.

Correction Deadline: 11/21/2025

Comment

Discussed that all lead staff must enroll in an approved education program within 6 months of hire and complete degree within 18 months.

Staffing and Supervision**591-1-1-.32 Staff:Child Ratios and Group Size(CR)**

Met

Comment

Center observed to maintain appropriate staff:child ratios.

591-1-1-.32 Supervision(CR)

Not Met

Finding

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that in the 2nd Left and 4th Left Classroom 1-year-old and 2-year-old children were eating and staff were not seated within arm's length.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.
