Plan of Improvement: Developed This Date 05/02/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

Finding

290-2-3-.08(1) requires the Home to have a current and updated record for each Child in care and for a period of one (1) year after each Child leaves. Such records shall include: identifying information (Child's name, birth date, Parent's name, home and business addresses, telephone numbers); name, address and telephone number of persons, including Child's physician, to contact in emergencies; and name, address, telephone numbers, relationship to Child and to Parent(s) and other identifying information of person(s) to whom the Child may be released. It was determined based on a review of records that childrens records were not available for review.

POI (Plan of Improvement)

The Home Provider will obtain the missing information and maintain the Children's records as required.

Correction Deadline: 5/2/2024

Technical Assistance

290-2-3-.08(13) requires documentation for the care of children, related and unrelated, for whom no pay is received to include a notarized statement from the Parent(s) attesting to the non-pay status. Please ensure that this form is on file for all related children.

Correction Deadline: 5/2/2024

Technical Assistance

290-2-3-.08(8)(b) requires that the Family Child Care Learning Home have policies and procedures which shall include written procedures for the following:

1. Guidance and discipline techniques;
2. Handling emergency medical care, including where the Children will be taken for emergency medical care;
3. Administering medication and recording noticeable adverse reactions to medication;
4. Notifying Parents of their Child's illness, injury, and exposure to a notifiable disease;
5. Noticeable adverse reaction to medication(s);
6. Exclusion of sick children;
7. Exclusion of children with communicable diseases, as defined on the chart of communicable diseases which contains recommendations for the exclusion of sick children and their readmission, and is provided by the Department;
8. Protection of children in the event of severe weather, fire, and physical plant problems, such as power failure, that affect climate control, loss of water, or structural damages;
9. The transportation of Children to and from school or Home, if provided, to include the procedure to be followed if no one is home to receive the transported Child;
10. Identification of others providing care. The Provider must inform the Parents of Children in care of the names of any caregiver and their responsibilities, and the names of the persons who would be called upon in an emergency;
11. Parents' ability to visit the Family Child Care Learning Home unannounced and at any time that their Child is in care;
12. Any information requested by the Parent concerning the operation of the Family Child Care Learning Home or the care of the Child, including but not limited to a description of any special procedures to be followed in caring for the Child, such as any special services which the Home agrees to provide to a Child with special needs . The Parent(s) will be provided daily communication (verbal/written) regarding the care of the Child, especially with infants, toddlers and nonverbal Children. Additionally, the Provider must bring special problems or significant developments to the Parent's attention as soon as they arise;
13. Notification of the existence of a firearm in the Family Child Care Learning Home;
14. Notification of any changes in the regular composition of the household. The Provider must notify the Parent(s) of anyone regularly on the premises, including but not limited to spouse, friend(s), relative(s), or significant other(s);
15. Notification of the existence of any pets or other animals residing in the Home or on the property of the Family Child Care Learning Home; and
16. Notification of infant sleep position practices. The Provider must notify Parent(s) of Sudden Infant Death Syndrome (SIDS) risk reduction practices, sleep positioning policies, and arrangements for placing all infants on their backs for sleep.

Facility

Finding

290-2-3-.11(2)(c) requires that documentation of drills required by these rules shall be maintained in the Home. The Home shall conduct drills for fire, tornado, and other emergency situations. The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Home shall maintain documentation of the dates and times of these drills for two years. It was determined based on review of records the Provider could not locate evidence showing that fire drills for the calendar year 2023 had been conducted monthly and tornado and other emergency drills had been conducted every six months as required.

POI (Plan of Improvement)

The Provider will develop and implement a plan and schedule for conducting the required drills, completing the documentation, keeping the documentation on file for two years.

Correction Deadline: 6/1/2024

Finding

290-2-3-.11(2)(h) requires at least one UL Approved smoke detector to be on each floor of the Home and such detectors to be maintained in working order. At least one 2-A:10-B:C fire extinguisher shall be kept in the child care area to be located no more than thirty feet from the kitchen. The extinguisher shall be maintained in working order and shall be inaccessible to the children. It was determined based on observation, the home did not have an operable UL Approved smoke detector. The batteries had been removed from the smoke detector.

POI (Plan of Improvement)

The home provider will ensure that a working smoke detector is on each floor and a working fire extinguisher is available in the child care area as required, and is maintained inaccessible to children.

Correction Deadline: 5/12/2024

Comment

An operable and appropriately sized fire extinguisher was observed in the home this date.

290-2-3-.13 Physical Plant-Structural/Mechanical(CR)**Met****Comment**

The Home appears clean and free from hazards.

290-2-3-.13 Playgrounds(CR)**Not Met****Finding**

290-2-3-.13(2)(a) requires that outdoor play areas be kept clean and free of hazards such as exposed sharp corners of concrete or equipment, rust and splinters on equipment, broken glass, open drainage ditches, holes and stagnant water. It was determined based on observation there was a small air conditioner with electrical wires exposed on the back left side of the play area, it was not enclosed and accessible to children.

POI (Plan of Improvement)

The Home will repair any and all identified outdoor hazards and will monitor playground daily or more often as needed to ensure that the Home's outdoor play area is kept clean and free of hazards.

Correction Deadline: 5/12/2024

Finding

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation the picket fence measured at three feet and seven inches high. Two of the wood panels were loose and propped against the fence on the back left side and there was a gap measuring 11 inches between the fourth and six panel of the back left side of the home.

POI (Plan of Improvement)

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.
