It was determined based on the specialist's observation that three of eleven employees that were present on this date did not have a satisfactory comprehensive records check determination under the active exemption. The program did have satisfactory comprehensive record check determinations for all employees under the program's license number, however, these records had not been ported under the exemption.

POI (Plan of Improvement)

The Program will ensure that all employees present will possess a satisfactory comprehensive record check determination (CRC) and that these CRC's will be implemented under the exemption number rather than the license number.
