The purpose of this visit was to conduct a Licensing Study.

Discussed updating the Center's policies and procedures to include the program's practices regarding the expulsion and suspension of children enrolled for care within the description of behavior management and discipline actions used by the Center. Also discussed to ensure a description of the practices followed by the Center to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children.

Additional information can be found in the CCLC Indicator Manual found on DECAL's website at:

<https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx> or through the Center on Shaken Baby Syndrome found at: <https://dontshake.org/>.

Discussed that all Employees, including volunteers, independent contractors, students-in-training, etc. should have a completed initial program orientation form on file.

Discussed that effective July 1, 2025, all staff are required to obtain at least two hours in evidence based, developmentally appropriate language and literacy practices and at least two hours in on-going child development and health and safety related topics as part of their 10 hours of annual training.

The CCS Consultant discussed and left a copy of the updated Child Care Weather Watch Chart with the program today. Weather does not permit outdoor play when there is active precipitation or when weather advisories are in effect. Consult the Child Care Weather Watch Chart resource for further guidance, considering specific weather conditions.

Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.
