Plan of Improvement: Developed This Date 08/08/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/RuleAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

591-1-1-.17(7) requires that children wash their hands with liquid soap and warm running water upon arrival for care, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after eating meals and snacks, handling or touching food, playing in water; after toileting and diapering, playing in sand, touching animals or pets, and contact with bodily fluids and after contamination by any other means. It was determined based on observation that in rooms one and three children's hands were not washed after diapering. Room one had five children, only one diaper change was observed; and Room three had seven children, only one diaper change was observed. When the staff were asked the steps of the diaper change process, they did not state the washing of the children's hands.

POI (Plan of Improvement)

The Center will train Staff on required handwashing for children and Staff will ensure children's hands are washed when required. The Director will monitor for compliance.

Correction Deadline: 8/8/2024**Recited on 8/8/2024****Finding**

591-1-1-.17(8) requires staff to wash their hands with liquid soap and warm running water upon arrival for the day, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after diapering each child, dispensing medication, applying topical medications, handling and preparing food, eating, drinking, preparing bottles, feeding each child, assisting children with eating and drinking, after toileting or assisting children with toileting, using tobacco products, handling garbage and organic waste, touching animals or pets, handling bodily fluids and after contamination by any means. It was determined based on observation that in rooms one and three the staff did not wash their hands after diapering a child.

POI (Plan of Improvement)

The Center will ensure liquid soap and warm running water are available for handwashing, train Staff on the handwashing requirements, review the requirements with Staff periodically, and monitor handwashing.

---	----------------

Comment

Discussed SIDS and infant sleeping position.

Comment

The correct number of mats, sheets and blankets were observed on this date. Cleaning and disinfecting of mats was discussed with the director on this date.

Finding

591-1-1-.30(2)(c) requires that infants shall not sleep in equipment other than safety-approved cribs, such as, but not limited to, a car safety seat, bouncy seat, highchair, or swing. Infants who arrive at the Center asleep or fall asleep in such equipment, on the floor or elsewhere, shall be transferred to a safety-approved crib. It was determined based on observation that two infants were asleep in swings for more than six minutes.

POI (Plan of Improvement)

The Center will only place infants in safe cribs to sleep and will transfer them to a safe crib when the infants are asleep in other equipment.
