Plan of Improvement: Developed This Date

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: https://families.decal.ga.gov.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at http://gbi.georgia.gov to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Facility

290-2-3-.11 Physical Plant - Safe Environment(CR) **Not Met**

Finding
290-2-3-.11(2)(a) requires the Home to have a written plan for handling emergencies, including but not limited to fire, severe weather, loss of electrical power or water, and death, serious injury or loss of a child, a threatening event, or natural disaster which may occur at the Home. The Home will have in place procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, continuity of operations, accommodation of infants and toddlers, children with disabilities, and children with chronic medical conditions. No Home personnel shall impede in any way the delivery of emergency care or services to a child by licensed or certified emergency health care professionals. It was determined based on a review of records that the written plan for handling emergency situations was not on file on this date.

POI (Plan of Improvement)
The Home Provider will complete a written plan for emergencies.

Correction Deadline: 8/20/2026

Finding
290-2-3-.11(2)(c) requires that documentation of drills required by these rules shall be maintained in the Home. The Home shall conduct drills for fire, tornado, and other emergency situations. The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Home shall maintain documentation of the dates and times of these drills for two years. It was determined based on a review of records that the drills for fire, tornado, and other emergency situations were not on file on this date.

POI (Plan of Improvement)
The Provider will develop and implement a plan and schedule for conducting the required drills, completing the documentation, keeping the documentation on file for two years.

Correction Deadline: 8/31/2026

Correction Deadline: 3/13/2026

Corrected on 8/6/2026
.11(2)(f) - The previous citation was observed corrected as no hazards were observed accessible to children in care.

Comment
Please be mindful to keep items that pose a hazard inaccessible to children.

Comment

290-2-3-.13 Playgrounds(CR) **Not Met**

Finding
290-2-3-.13(2)(a) requires that outdoor play areas be kept clean and free of hazards such as exposed sharp corners of concrete or equipment, rust and splinters on equipment, broken glass, open drainage ditches, holes and stagnant water. It was determined based on observation that the following hazards were observed on the playground:

- A broken yellow car was observed on the right side of the playground.
- Brown residue was observed on the swing chains.
- A splintering wood bench was observed on the right side of the playground.
- A rug was observed hanging on the right side of the fence.
- The little tikes inside outside kitchen was observed broken.
- Spider webs were observed on the play equipment.

POI (Plan of Improvement)
The Home will repair any and all identified outdoor hazards and will monitor playground daily or more often as needed to ensure that the Home's outdoor play area is kept clean and free of hazards.

Correction Deadline: 8/13/2026

Recited on 8/6/2026

Finding
290-2-3-.13(2)(c) requires that climbing and swinging equipment that are not portable have a resilient surface beneath the equipment and the fall zone from such equipment, which is adequately maintained by the Home to assure continuing resiliency. It was determined based on a review of records that the ASTM certification for the turf surface was not on record as required for the resilient surface on this date.

POI (Plan of Improvement)
The Home will ensure that there is an adequate resilient surface under and in the fall zone of climbing and swinging equipment. The Home will inspect equipment and resilient surfacing material regularly and repair or replenish as needed.

Correction Deadline: 8/20/2026

Recited on 8/6/2026
