Plan of Improvement: Developed This Date 02/07/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.ga.gov for more information. Free technical assistance is available!

591-1-1-.10 Diapering Areas & Practices(CR)**Met****Comment**

Staff state proper knowledge of diapering procedures.

591-1-1-.17 Hygiene(CR)**Not Met****Finding**

591-1-1-.17(7) requires that children wash their hands with liquid soap and warm running water upon arrival for care, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after eating meals and snacks, handling or touching food, playing in water; after toileting and diapering, playing in sand, touching animals or pets, and contact with bodily fluids and after contamination by any other means. It was determined based on observation that there was no warm running water available in the Infant room which prevented staff from washing children's hands properly.

POI (Plan of Improvement)

The Center will train Staff on required handwashing for children and Staff will ensure children's hands are washed when required. The Director will monitor for compliance.

Correction Deadline: 2/9/2024

Finding

591-1-1-.17(8) requires staff to wash their hands with liquid soap and warm running water upon arrival for the day, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after diapering each child, dispensing medication, applying topical medications, handling and preparing food, eating, drinking, preparing bottles, feeding each child, assisting children with eating and drinking, after toileting or assisting children with toileting, using tobacco products, handling garbage and organic waste, touching animals or pets, handling bodily fluids and after contamination by any means. It was determined based on observation that there was no warm running water available in the Infant room which prevented staff from washing their hands properly.

POI (Plan of Improvement)

The Center will ensure liquid soap and warm running water are available for handwashing, train Staff on the handwashing requirements, review the requirements with Staff periodically, and monitor handwashing.

Finding

591-1-1-.30(1)(b)1 requires that cots and mats are of sound construction and of sufficient size to accommodate comfortably the size and weight of the child; and that mats are in good repair, washable, covered with a waterproof material and at least two inches (2") thick. It was determined based on observation that in room A, there were four mats with tears on them and the foam was exposed. It was further determined that there was one mat with a tear and the foam was exposed in room B.

POI (Plan of Improvement)

The Center will ensure that cots and mats are of sound construction and of sufficient size to accommodate the size and weight of the child and mats are in good repair, washable, covered with a waterproof material and is at least two inches thick.

Correction Deadline: 2/9/2024

Finding

591-1-1-.30(4). requires that if cots and mats are stored in the children's activity room or area, they shall be stored to prevent children's access to them and to allow maximum use of play space. When storage is available and used for the storage of cots and mats that allows the cots, mats and any bedding to be stored without touching any other cots, mats or bedding, the bedding may be left on the cot or mat. When such storage is not available for the cots and mats, each child's bedding shall be kept separate from other children's bedding and stored in containers marked for individual use, such as, but not limited to, bins, cubbies, or bags. It was determined based on observation that the cots were stored with the bedding touching other bedding in rooms C and D.

POI (Plan of Improvement)

The Center will store cots and mats so children do not have access to them and they don't take up play space and will store them so each child's bedding is separate from the others.
