Comments

The Center did not receive Final License on this date due to citations. The Centers licensing capacity is limited to 65 children at any given time per The Fire Department. The Center does not carry liability insurance.

Plan of Improvement: No Plan Developed

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: <https://families.dec.al.ga.gov>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

The following information is associated with a Initial Licensing Study:

Activities and Equipment

591-1-1-.12 Equipment & Toys(CR)

Not Met

Comment

A variety of equipment and toys were observed throughout the center on this date.

Finding

591-1-1-.12(4) requires that equipment and furniture is secured if it is of a weight or mass that could cause injury from tipping, falling, or being pulled or pushed over. It was determined based on observation that multiple pieces of equipment were not anchored as to prevent tipping hazards. The cubbies located in Classrooms B, C, D, and E were not securely anchored to the wall. Additionally, the shelf located in the alcove area of Classroom A was not properly secured to the wall.

POI (Plan of Improvement)

The Center will ensure that the identified equipment or furniture and any other such existing or future items are secured adequately and will have a system for checking these for stability.

Correction Deadline: 8/24/2026

591-1-1-.35 Swimming Pools & Water-related Activities(CR)

Met

Comment

Center does not provide swimming activities. No pool observed on site. Discussed water related activities with the director/owner.

Facility

591-1-1-.19 License Capacity(CR)

Met

Comment

The Center's overall licensing capacity is 65 per the Fire Department.

591-1-1-.25 Physical Plant - Safe Environment(CR)

Met

Comment

The Center appeared clean and well maintained on this date.

591-1-1-.26 Playgrounds(CR)

Not Met

Comment

Playground does not contain climbing equipment/swings. The program will be utilizing portable equipment, such as hula-hoops, balls, riding cars, bikes, and will have planned activities for the children to participate in.

Finding

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that a gap measuring approximately 3 inches by 11 inches was located on the lattice under the porch located off of Classroom C. Clip wires were also observed on all sides of the chain link fence that were partially unsecured and/or pointed inward with a sharp point.

POI (Plan of Improvement)

The Center will maintain an approved barrier fence to prevent children from accessing hazards. Additionally, the Center will repair any barrier or fence that has a gap measuring more than 3.5 inches and any fence wires that are sharp and/or point inward towards the playground area. The Center will monitor the fence and barrier for any damage and report and repair damage as applicable in the future.

Correction Deadline: 8/24/2026

Finding

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that two HVAC units located outside of the building were enclosed within the playground area and would be accessible by children. Additionally, minimal debris was located near the back right corner of the playground as well as along the left side fence. Vegetation was observed growing on/within all three sides of the chain link fence along the left, back, and right sides of the playground.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards. The Center will install an approved fence to prevent children from accessing the HVAC equipment.

Correction Deadline: 8/24/2026

Health and Hygiene**591-1-1-.10 Diapering Areas & Practices(CR)****Met****Comment**

Diapering procedures and hand washing requirements were discussed with the owner/director in a pre-visit phone call on August 6, 2026. The Consultant reviewed procedures and requirements on this date. Sinks with warm running water observed adjacent to proper diapering surfaces in all classrooms approved for diapering.

591-1-1-.17 Hygiene(CR)**Met****Comment**

There were no children enrolled on this date. Proper hand washing of children and staff was discussed with the director on this date.

591-1-1-.20 Medications(CR)**Met****Comment**

Discussed medication documentation, administration, and storage. The Provider does not plan to administer medication at this time.

Policies and Procedures**591-1-1-.21 Operational Policies & Procedures****Technical Assistance****Technical Assistance**

591-1-1-.21(2)(r) - New - Discussed updating the Center's policies and procedures to include the program's practices regarding the expulsion and suspension of children enrolled for care within the description of behavior management and discipline actions used by the Center. Also discussed to ensure a description of the practices followed by the Center to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children. Additional information can be found in the CCLC Indicator Manual found on DECAL's website at: <https://www.dec.state.ga.us/CCS/Regulations.aspx> or through the Center on Shaken Baby Syndrome found at: <https://dontshake.org/>.

591-1-1-.11 Discipline(CR)**Met****Comment**

There were no children enrolled on this date. The center's discipline policy was reviewed on this date. Regulations regarding proper discipline were discussed with the director on this date.

591-1-1-.13 Field Trips(CR)**N/A****Comment**

Center does not participate in field trips at this time.

591-1-1-.36 Transportation(CR)**N/A****Comment**

Center does not provide routine transportation or field trips. Consultant discussed transportation requirements if/when the facility decides to incorporate transportation. The center will contact their regional consultant and complete the required two (2) hours transportation training prior to transporting children.

Sleeping & Resting Equipment**591-1-1-.30 Safe Sleeping and Resting Requirements(CR)****Not Met****Comment**

Cleaning and disinfecting of mats was discussed with the director on this date.

Comment

Consultant observed eight (8) cribs meeting safety compliance with Consumer Product Safety Commission (CPSC) and American Society of Testing and Materials International (ASTM) safety standards manufactured in 2013, 2015, and 2022. Consultant discussed safe sleeping requirements with the (owner or director) during the inspection visit.

Finding

591-1-1-.30(1)(a)2 requires that a crib mattress is firm, tight-fitting without gaps, at least 2 inches thick and covered with a waterproof, washable material. Before a change of occupant, each mattress shall be cleaned with a disinfectant. It was determined that seven of eight crib mattresses were not firm and had dimpling/perforations present at the time of the visit.

POI (Plan of Improvement)

The center will ensure that a crib mattress is firm, tight-fitting without gaps, and are a smooth waterproof, washable material.

Correction Deadline: 8/24/2026

Technical Assistance

591-1-1-.30(1)(b) - Please ensure enough cots and mats are available.
