*Updates/Reminders:

*First Aid and CPR:

-Effective July 1, 2025, new staff are required to obtain pediatric First Aid and pediatric CPR training within 45 days of employment. It was further discussed that Homes must have at least one person with current pediatric First Aid and pediatric CPR training present during field trips, transportation of children, and on the Home's premises whenever any Child is present.

*FCCLH Policies and Procedures:

-Please update the Home's policies and procedures to include the program's practices regarding the expulsion and suspension of children enrolled for care within the description of behavior management and discipline actions used by the Home.

-Ensure a description of the practices followed by the Home to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children.

*Additional information can be found in the FCCLH Indicator Manual found on DECAL's website at:

<https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> or through the Center on Shaken Baby Syndrome found at: <https://dontshake.org/>.

*Staff Training:

-Initial Program Orientation-

-All Employees, including volunteers, independent contractors, students-in-training, etc. should have a completed initial program orientation form on file.

*Annual Training:

-Effective July 1, 2025, all staff are required to obtain at least two hours in evidence based, developmentally appropriate language and literacy practices and at least two hours in on-going child development and health and safety related topics as part of their 10 hours of annual training.

• Discussed and emailed a copy of the updated Child Care Weather Watch Chart with the program today. Weather does not permit outdoor play when there is active precipitation or when weather advisories are in effect. Consult the Child Care Weather Watch Chart resource for further guidance, considering specific weather conditions.

-For centers conducting or planning on conducting transportation, please remember that the transportation training must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director/provider. Please ensure that directors/providers ensure that they also complete the transportation training upon being hired at the center. *Please ensure to mark/indicate when children are loading and unloading and do a physical first and second check (and document by signing) of vehicles used to transport children on transportation documents.
