Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. The following information is associated with a Complaint Investigation by Phone:

Policies and Procedures

591-1-1-.29 Required Reporting **Not Met**

Finding
591-1-1-.29(2) requires the Director or designated person-in-charge to report or cause to be reported any cases or suspected cases of notifiable communicable diseases (COVID-19, Tuberculosis, Measles, etc.) or any viruses or illnesses identified during a public health emergency, immediately to the Department and to the local County Health Department as required by the rules of the Georgia Department of Public Health, Rule 511-2-1, Notification of Disease. It was determined based on investigative findings which included staff statements and interviews that the parent called the provider and notified staff that their child tested positive for COVID-19 on September 13, 2021 and did not notify the Department and the local County Health Department.

POI (Plan of Improvement)
The Center will develop a procedure so everyone knows how and when to report cases of suspected notifiable communicable diseases to the County Health Department and will follow-up to make sure they are reported as required.

Correction Deadline: 9/22/2021
